

International
School Olympiads

Your Global Academic Adventure Awaits

Discover a world of challenge, achievement, and recognition
with the International School Olympiads.

Go Beyond the Classroom

The International School Olympiads provide a unique platform for students in Grades 1-8 to test their skills against peers from around the world. It's an opportunity to:

- **Ignite Curiosity:** Tackle challenging problems that encourage deeper thinking.
- **Build Confidence:** Gain experience in a competitive yet supportive environment.
- **Earn Global Recognition:** Achieve awards and certificates that stand out.

A Flexible and Accessible Global Competition

1. Fully Online Format

Exams are taken from home on a laptop or desktop. Designed for convenience and accessibility for students everywhere.

2. For Grades 1 through 8

Tailored challenges for each grade level. Syllabus is based on the student's immediate school curriculum.

3. Individual or School Participation

Students can register individually. Schools can facilitate bulk registrations for their students.

Celebrate Your Achievement

Top rank holders are awarded prestigious **trophies, medals, and merit certificates** in recognition of their outstanding performance.

****Ranking Criteria****: Ranks are determined based on the total marks obtained in the exam.

Your Journey Begins in 3 Simple Steps

1

Step 1: Pay the Exam Fee

Click the 'Pay Fee' button on our website. The fee is US\$10 per Olympiad, per student.

2

Step 2: Register Your Account

After payment, you'll be directed to create your student account. Fill in your details and upload a school ID card.

3

Step 3: Access Your Resources

Your account will be active within 24 hours, giving you access to all study materials.

Registration Details for a Smooth Start

Fee Receipt

After payment, a fee receipt will be sent to your email. If not received in 15 minutes, please contact us.

New Students

Follow the on-screen prompts to create your new exam account after payment.

Returning Students

If you have participated before, you do not need a new account. Simply pay the fee and email the receipt, along with your chosen subjects & dates, to contact@schoololympiads.com. Your account will be reset within 48 hours.

Account Activation

Please allow up to 24 hours for your new account to be activated after submitting the registration form.

Partner with Us: Options for Schools & Educators

Bulk Registration

Easily register multiple students from your school with our streamlined process.

Register Your School

Officially partner with the International School Olympiads to offer this opportunity to your entire student body.

Become a Coordinator

Take on a leadership role in facilitating the Olympiads at your school or in your region.

Visit our website or contact us to learn more about school partnership programs.

Answering Your Questions

Q: What syllabus do the exams follow?

A: The syllabus is based on the topics and curriculum of the student's immediate school grade.

Q: How do I access the study materials?

A: All materials, including e-books and sample papers, become available in your student account after registration is complete and activated.

Q: Can I practice before the exam?

A: Yes, a mock test will be available in your student panel between Dec 2, 2025, and Feb 24, 2026, to help you get familiar with the platform.

Q: How do I take the actual exam?

A: On your chosen exam day, log in to your student panel anytime within the 24-hour window and start the exam from the 'Upcoming Exam' section.
